Perfect fit

Miratray® Implant

Implant impression tray with patented foil technique

- Saves you and your patient an additional patient visit and laboratory costs
- Controllable and safe impression taking with clear view of implant posts
- As foil meets precisely at implant posts, a clean impression is taken
- No overflowing impression material
- Customizable, user-friendly and cost-effective
- Available in three sizes for maxilla and mandible (dentulous and edentulous)
- Suitable for all implant impression materials and implant systems

“Making an individual tray in laboratory is no longer necessary = time saving (appointment) and cost saving for the patient.”
Petra Weidenmüller, Magdeburg
